

Dynamique Primary: Stationary 2019

ALL stationary must be at school on the first day of school.

Please **mark all** the stationary clearly with a **permanent marker** before you send it to school. The stationary will not be sent home and the class teacher will lock extra stationary in a cupboard. Intermediate and senior phase learners must have a **pencil case** for their stationary. Teachers will not be held responsible for any stationary that is lost or stolen. We will send out a new list as stationary becomes depleted. The list below is the basic stationary that your child will need for the term.
